

Dear All,

As you may already know the mission to Nigeria for the members of the Hellenic-African Chamber of Commerce and Development will take place on 14-17 January 2014.

In order to prepare the program of the mission we will appreciate receiving information about the sectors of your interest by 2nd December 2014.

Details about the program and the cost of the mission (air tickets, hotels e.t.c.) will be made available to the participants at a meeting in the Nigerian Mission in mid December. It will be also an occasion for responses to queries and discussion of relevant matters.

Since the participants should be members of the Hellenic- African Chamber or Members of the Greek – Nigerian Chamber we are attaching an application form for those who happen not to be Members yet.

In the mean time our Chamber will be pleased to keep you informed on the arrangements as soon as it will receive information from the Nigerian Embassy.

Best Regards

Sotiris Mousouris
President
